

usetex=False  
preview=False

A diagram showing the TeX rendering of four mathematical symbols:  $\lg$ ,  $\frac{1}{2}\pi$ ,  $p^{3^A}$ , and  $p_{3_2}$ . Each symbol is enclosed in a black rectangular bounding box. A vertical red line is positioned to the left of the first column of boxes, and horizontal red lines are positioned between the rows of boxes.

usetex=True  
preview=False

A diagram showing the LaTeX rendering of the same four mathematical symbols as the first column. The symbols are  $\lg$ ,  $\frac{1}{2}\pi$ ,  $p^{3^A}$ , and  $p_{3_2}$ . Each symbol is enclosed in a black rectangular bounding box. A vertical red line is positioned to the left of the first column of boxes, and horizontal red lines are positioned between the rows of boxes.

preview=True

A diagram showing the LaTeX rendering of the same four mathematical symbols as the second column. The symbols are  $\lg$ ,  $\frac{1}{2}\pi$ ,  $p^{3^A}$ , and  $p_{3_2}$ . Each symbol is enclosed in a black rectangular bounding box. A vertical red line is positioned to the left of the first column of boxes, and horizontal red lines are positioned between the rows of boxes.
